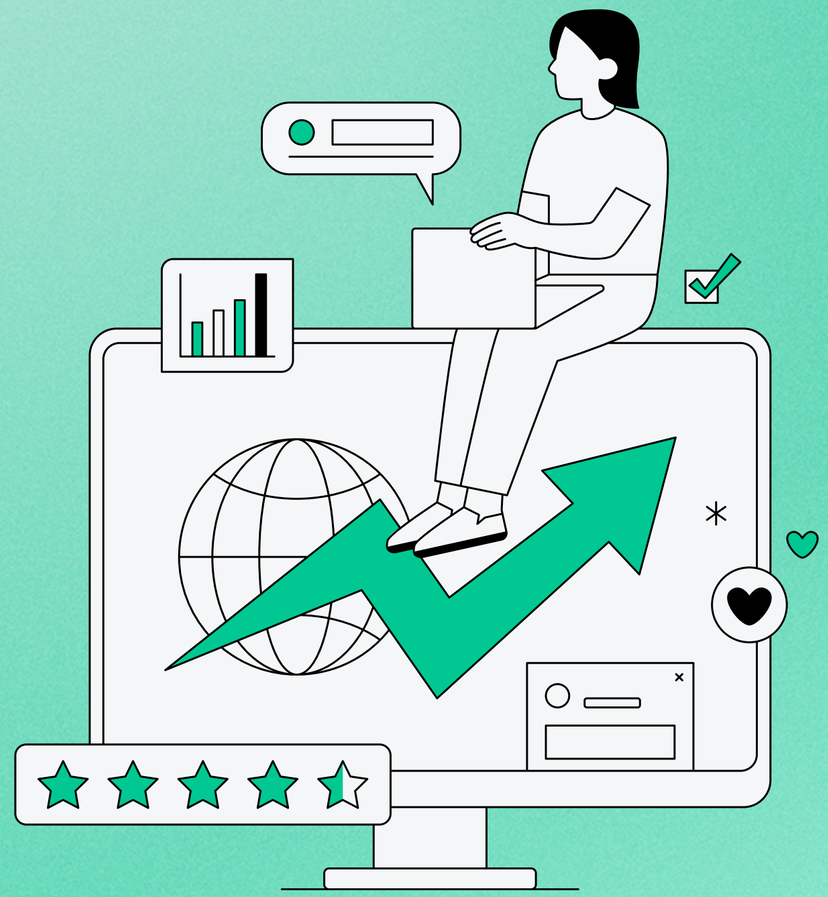
IBM DATA SCIENCE: PLACEMENT PROGRAM

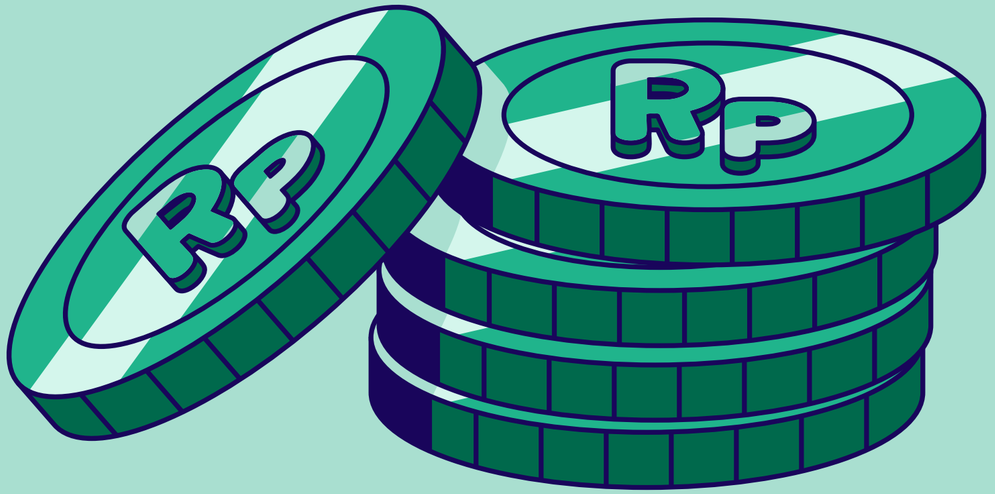
Session 2024

www.iaqmc.com



Program Fee

Discover the future with IAQMC & IBM Data Science Placement Program, now available at an unbeatable price of just 99,000 INR. Gain immediate access to course credentials and embark on a journey into cutting-edge data science. Plus, enjoy the added benefit of a "Placement" program, ensuring your skills are recognized and utilized in the industry. Don't miss this opportunity to shape your career in the world of data science!

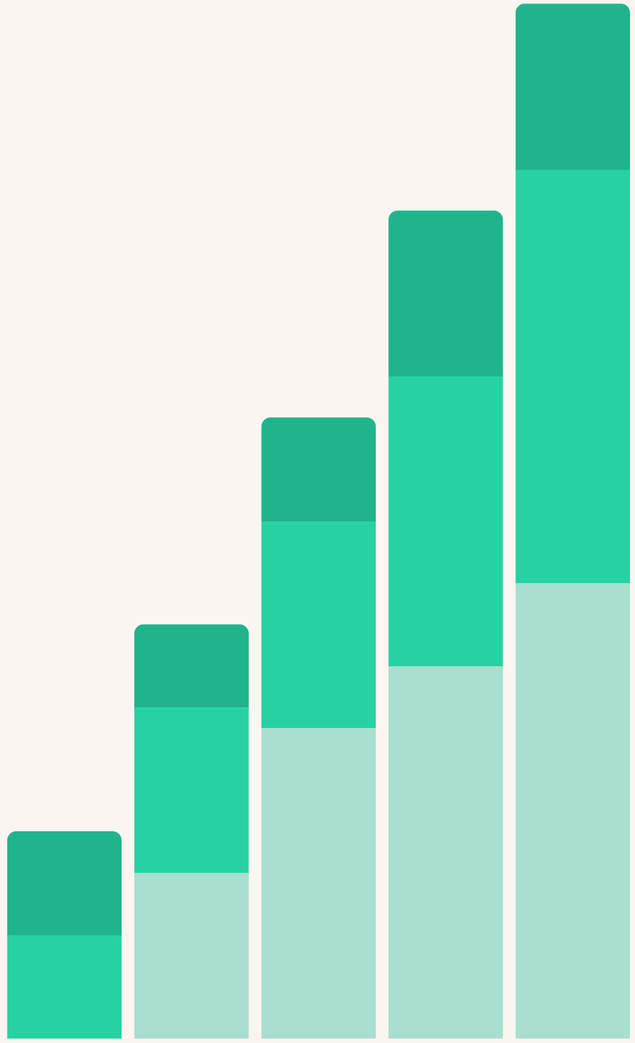


Placement Guaranteed

Embark on a transformative journey with our IBM Data Science Placement Program, where success is not just a possibility – it's a guarantee! Witness success stories, benefit from personalized career guidance, and continuous industry interaction.

Program Highlights

- ✨ Masterclasses by IBM Experts: Immerse yourself in the world of Data Science with exclusive masterclasses delivered by seasoned experts from IBM.
- 🔍 Exclusive Hackathons: Elevate your skills through thrilling and exclusive hackathons, applying your knowledge to real-world challenges.
- 🎙️ Ask Me Anything Sessions by IBM: Connect with industry leaders during insightful sessions to seek guidance and delve into the depths of Data Science



Why Choose Our Program?

- 🌟 Top-Ranked Accreditation: #1 Post Graduate in Data Science by IAQMC, setting the gold standard for quality and relevance.
- 💡 Real-World Application: Immerse yourself in practical learning, ensuring you are well-equipped to tackle real-world challenges.
- 🤝 IBM Collaboration: Partnering with IBM ensures our program remains at the forefront, providing you with the latest tools, technologies, and insights.
- 🚀 Career Acceleration: Equip yourself with the in-demand skills, positioning for career acceleration and exciting opportunities in Data Science.

Why Our Certificates Matter?

- Global Recognition: All certificates are globally recognized, providing credentials valued by employers worldwide.
- Industry Endorsement: Backed by IBM and IAQMC, signaling to employers that you've been trained and certified by industry leaders.
- Comprehensive Skill Validation: Each certificate is a testament to a specific aspect of your learning journey.

Program Details

- Duration: 6 Months or 12 Months
- Projects: 25 Case Studies and Projects
- Guarantee: Placement Guaranteed
- Sessions: 54+ Virtual Sessions
- Assignments: 8 Coding Assignments
- Content: 500 Hours Content
- Tools: 15 Tools and Software

Features

- Hackathons: Exclusive hackathons and Ask me Anything sessions by IBM.
- Projects: Capstone from 3 domains and 25+ Projects with Industry datasets.
- Classes: 8X higher live interaction with 200+ hours of live online classes.
- Internship: 2 Months internship ensures you graduate as an experienced data science professional.

Program Cycle

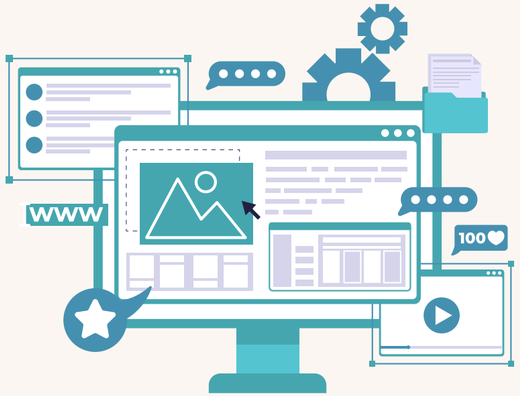
1. Training
2. Projects & Certifications
3. Resume Feedback
4. Interview Preparation
5. Internship
6. Portfolio Building
7. Placement Process

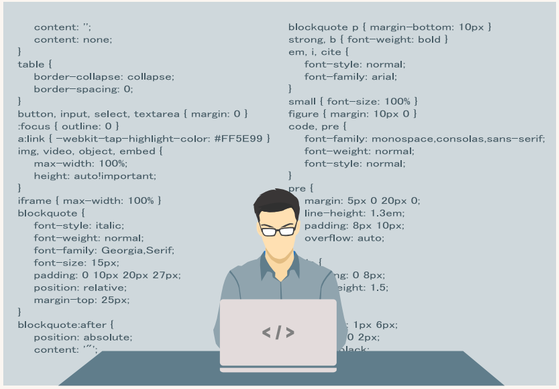
Certificates Offered

1. IBM Data Science Professional Certificate
2. PGP Certification from IAQMC
3. Project Completion Certificate from IAQMC
4. 162 Hours Professional Development Units Certificate
5. Internship Certificate from IBM

Program Modules

- Skills Covered: R-Programming, SQL, Python, Machine Learning, Deep Learning, Natural Language Processing, Power BI, Artificial Intelligence, Advanced Excel, Github& Data Analytics Essentials.
- Tools Covered: Tableau, Numpy, Panda, Hadoop, Jupityr, Matlab, BigML, Apache Spark, D3, SAS, Scala.





Choose Duration

- 6-Month Fast Track: Complete the entire course in just 6 months with 4 live sessions per week.
- 1-Year Extended Program: Enjoy a more relaxed pace with the flexibility of a 1-year duration, attending 2 live sessions per week.

Choose Instructor

- UK Instructor: Global perspective and insights.
- North Indian Instructor: Vibrant regional understanding.
- South Indian Instructor: Dynamic regional insights.

Why Choose Your Instructor?

- Cultural Affinity: Select an instructor who resonates with your cultural background.
- Learning Preferences: Tailor your educational journey based on your preferred learning approach.
- Global Perspectives: Gain international perspectives or dive deeper into local insights.

IBM-Powered Internship

- Duration: 2 Months
- Stipend: ₹41,000 per month
- Format: Live Online
- Experience: Real-world Application, Mentorship by IBM Experts, Networking Opportunities.

Live Class Timings

- Time Range: 7 AM to 11 PM
- Scheduling: Any 2 hours based on your preferences through the learner’s learning management system (LMS).

Unique Learning Experience

- Personalized Scheduling: Select the 2-hour time slot that aligns perfectly with your daily routine.
- Recorded Sessions: Every live session recorded for future reference.
- 24/7 Access to LMS: Explore resources, engage in discussions, and access course materials anytime.
- Interactive Learning Platform: Real-time interactions during live classes and recorded sessions for revision.

IBM Data Science Professional Certificate

PGP Certification from IAQMC

Project Completion Certificate from IAQMC

162 Hours Professional Development Units Certificate

Internship Certificate from IBM

IBM

INTERNSHIP CERTIFICATE

January 7, 2020

To whom it may concern,

This certification proves that **Shruti Mahajan** has completed the internship program at **IBM** as a **Data Science Trainee**. **Shruti Mahajan** started joining the program from **Wednesday, October 2, 2019** until **Monday, December 7, 2019**.

During the live internship as an Intern, she displays enthusiasm, leadership, self-discipline, and self-motivation.

We are lucky to have her as one of our interns before and we would like to wish her all the best.

Sincerely,

Rohit k Vohra
Recruitment Leader
IBM India Private Limited.
